

COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR
HARRISBURG

THE GOVERNOR

GREETINGS:

It is a pleasure to offer my support and encouragement to the Pennsylvania Association of REALTORS®, local REALTOR® associations and boards and the thousands of REALTORS® across our Commonwealth who are serving their communities during REALTORS® Reach Out 2009.

In addition to the work Pennsylvania REALTORS® do every day to make their communities a better place, they have chosen to designate the month of October to spend even more time strengthening the communities they serve by volunteering to serve those less fortunate. REALTORS® Reach Out 2009 promises to build on the tremendous success of last year's campaign, which flourished with the volunteer efforts of more than 2,200 REALTORS® and 27 local REALTOR® associations and boards across the state donating more than \$28,000, collecting 5,500 pounds of food, contributing 1,000 pieces of clothing to charitable organizations, cleaning up local homes and communities, and other activities.

On behalf of all Pennsylvanians, I commend the Pennsylvania Association of REALTORS® for encouraging its members to improve their communities and help those in need. Best wishes for great success with REALTORS® Reach Out 2009 and all of your efforts to make Pennsylvania a better place to live.

Edward G. Rendell

EDWARD G. RENDELL

Governor

October 2009
